|----|---|---------|
| 4) | Choir Sometimes we are able to arrange for a choir to come, but in any case this is usually only possible for the main wedding times of 11, 1 or 3 o'clock on Saturday and not at all on bank holiday weekends or other days of the week. (It is also difficult in the summer holiday weeks) | £50.00 |
| 5) | Church Bells Normally we are able to arrange for a team of bell ringers to come for the main wedding times of 12, 1.30 or 3 o'clock on Saturday. On other days of the week it may prove difficult to get a team. | £100.00 |
| 6) | Video The use of Video is normally allowed, as a courtesy from the Minister. The Recordist should be smartly dressed and will need to agree a fixed place from which to operate. Also, as Copyright Law may be involved, you and the Recordist will need to sign a special form in advance. | £30.00 |
